Trouble in Texas

A battle of wills was raging in the Lone Star State in 1876. April Truitt didn't trust doctors, least of all handsome newcomer Gray Fuller, who opposed her efforts to offer the women of Dignity, Texas, an herbal alternative to surgery. He treated her like some quack, but April was determined to save other women from dying on the operating table, like her mother did.

Gray couldn't help admiring April's spirit and good intentions. Yet he couldn't let this bluebonnet belle steal all his patients . . . even if she was on her way to stealing his heart.
