Caribbean Treasure is a must read for anyone who has ever dreamed of escaping everyday life and sailing into the sunset. It is the first book in a trilogy that takes the reader from one adventure to another, spanning half the globe. Mack is escaping his boring life as a bureaucrat to pursue his dream of starting a charter business in the blue waters of the Caribbean. Carly is a woman looking for adventure on a sunny island beach before she gets serious about a relationship. Their dreams collide as they are thrown together by circumstances beyond their control. Romance and adventure turn to terror when Carly and Mack are chased around the Caribbean by thugs trying to recover a treasure of gold, diamonds, cash and cocaine. Inspired by his adventurous, fun-loving wife and their faithful four-legged companion, the writer shares real life experiences from sailing for years throughout the Caribbean. The book is a mixture of real life blended with imagination, intrigue, and fantasy to create a book that captures you from the beginning. Reader's say: "Lee Storm puts in play a wonderful, well paced novel that grabs the reader right from the beginning. His familiarity with the Caribbean, and his personal experiences sailing through these typically calm waters provide the background for this modern day adventure and quest for survival in sometimes very, turbulent waters. This reader anxiously awaits the final two books in the trilogy and the adventure and romance that will surely follow." "Grabs you from the first few pages. Couldn't put it down." "Loved the characters. Sexy, fun-loving and inspiring!" "The author threw action and adventure, romance, suspense, and death on the high seas into the literary pot and stirred it briskly, and out came a tasty and succulent stew." "Characters are lifelike and I love it when I leave a story feeling like I personally know all the players."
