## **Facing Danger: A Guide Through Risk** Dr Anna E Hampton

*Facing Danger* guides cross-cultural workers through a biblical discussion on risk, providing a spiritual and practical framework for working through cross-cultural risk assessment and management. In this book, Anna E. Hampton discusses:

- Four connections related to risk between the Old and New Testaments.
- Essential elements of cross-cultural risk assessment and management.
- Balancing the tension between the leading of the Holy Spirit, wise stewardship, and God's invitation to risk.
- Twelve risk myths often repeated to those who have a cross-cultural calling.
- A guide to writing a personal conviction on cross-cultural risk.
- Working through a systematic action plan on risk that integrates spirituality, faith, emotions, stewardship, and practical danger assessment.

After living for almost a decade in the high-risk and dangerous environment of Afghanistan, *Facing Danger* works through how Anna attempted to raise her children without emotional and long-term trauma while simultaneously living out her calling to partner in a divine endeavor in a hostile culture. This is the real world where a biblical understanding of risk must work.
