The Captain's Table Richard Gordon

When William Ebbs is taken from a creaking cargo boat and made Captain of a luxury liner, he quickly discovers that the sea holds many perils—probably the most perilous being the first night dinner, closely followed by the dangers of finding a woman in his room. Then there is the embarrassing presence of the shipping company's largest shareholder, a passenger over board and blackmail. The Captain's Table is a tale of nautical misadventure and mayhem packed with rib-tickling humour.
