The Fields of Home Ralph Moody

The fatherless Moody family moved from Colorado to Medford, Massachusetts, in 1912, when Ralph was entering his teens. "I tried as hard as I could to be a city boy, but I didn't have very good luck," he says at the beginning of *The Fields of Home*. "Just little things that would have been all right in Colorado were always getting me in trouble." So he is sent to his grandfather's farm in Maine, where he finds a new set of adventures.
