Developed for the RV do-it-yourselfer, the home mechanic or the new technician, this repair manual shows you how to diagnose and repair your Atwood water heater in one afternoon with no prior knowledge of RV water heaters. The sequence of operation, the troubleshooting guide and the step-by-step instructional repair procedures are included for both the Atwood standing pilot and the electronic ignition or direct spark ignition (DSI) models. The cost? It's less than one third of an RV service call. Plus, you get the satisfaction of knowing you did the work yourself (and look like a hero to your friends and family).
