The Series continues. . . Welcome to Triton City, California, world-renowned for its quality of life, growing economy, and prestigious university. Here one can find an easygoing commute to work, parents can feel secure with their children playing outside during the day, and there are no beggars on the street corners harassing hardworking citizens to spare a dollar or two. In fact, there aren't any homeless to be seen for miles...any homeless who are alive anyway. Now the city that prided itself on beauty, strength, and power is at the epicenter of a twisted genetics game between two doctors battling to play God, and a group of college students has discovered they are the game's unwilling pawns. They must learn to rely on each other to defeat not only the evil hunting them, but also the vampire within, always itching to reveal itself and test the boundaries of their souls.
