[Siren Allure: Erotic Cowboy Romance, HEA] A map of the world. Check. One dart. Check. Win the lottery. What? Move to Australia. Come on! Anissa Anderson has just bought a cattle station in Boongaral, Australia. Now there's something not many people were expecting her to do, including her. And now she has to live in the same house as Jaric McCrary, the beefcake, wet-dream foreman of the station. Romance was not the reason she came to Australia. But one smoldering night in a cabin is all she needs to change her mind and her heart. But after he pushes her aside, she decides she doesn't want him anyway. But fate often has other plans. The weather isn't the only thing beginning to heat up around the station. She soon begins to think that the term "Down Under" can have a different meaning with the right kind of man. ** A Siren Erotic Romance
