Conducting Church Audits: A Guide for Internal Auditors Jeremy W Odom

No one ever says, "I wish I could be on the church audit committee." Yet auditors play essential role in congregational life. Financial accountability is a critical role in ministry, and it can help people follow appropriate procedures when they know they will be held accountable. In addition, people are more likely to give when they know proper safeguards are in place. Conducting Church Audits is a useful book by Jeremy Odom not only for internal auditors but also for church boards and finance boards. The author provides a wealth of valuable resources in the book from an internal control questionnaire to a sample report of the audit committee.
