"End Times Evangelism" is a resource to help Christians relate current events to the Bible using God's prophetic Word as a powerful evangelistic tool. Lives are changed when people recognize the supernatural nature of the Bible revealed through fulfilled prophecies. This book makes the case for seeing Bible prophecy from a futurist perspective, summarizes the key prophetic events yet to happen, and provides a comprehensive set of commentaries with applicable Scripture passages on topics likely to come up when discussing the news. There are great changes going on in our world today that have people concerned about where we are headed. So an increasing number of people will be open to the answers provided in God's prophetic Word. Yet the Church does not give Bible prophecy the emphasis it deserves for a number of unsatisfactory reasons addressed in "End Times Evangelism." This situation provides Christians with a great opportunity to show others how Bible prophecy makes sense of the disturbing trends we see in our world today. Prophecies that have been fulfilled are how we know the Bible really is from God. Also, as we see the stage being set for future prophecies to be fulfilled, it gives us a sense of urgency to grow closer to Jesus Christ and share the good news about Him. Indeed, God revealed the future to us for just that purpose: "the testimony of Jesus is the spirit of prophecy" (Revelation 19:10). Readers of "End Times Evangelism" should gain confidence in using God's prophetic Word to help others better understand God's plan. Sharing what the Bible says about what is going on in the news is a great way to let people know you're a Christian and it will generate opportunities to go deeper into spiritual matters with those seeking the truth about God.
