**Publishing Your Medical Research** Daniel W. Byrne

*Publishing Your Medical Research* is the second edition of the award-winning book that provides practical information on how to write a publishable paper. This edition includes additional details to help medical researchers succeed in the competitive “publish or perish” world. Using a direct and highly informative style, it does more than help you write a paper; it presents the technical information, invaluable modern advice, and practical tips you need to get your paper accepted for publication. A singular source for the beginning and experienced researcher alike, *Publishing Your Medical Research* is a must for any physician, fellow, resident, medical scientist, graduate student, or biostatistician seeking to be published.

## **Praise for *Publishing Your Medical Research***

“This book is an excellent and well-documented guide to the design of clinical trials, the analysis of data, and the construction of a high-quality manuscript. Both the novice and the expert will derive many helpful suggestions from its content.”

*Gertrude B. Elion, D.Sc.*

*Nobel Laureate in Medicine*

“Where medical school lacks, this book provides. In one volume, Dan Byrne gathers essential information for all authors interested in publishing biomedical papers.”

*Robert Jacoby*

*Former Editor, American Medical Writers Association Journal*

## **Book Awards:**

- American Medical Writers Association: Will Solimene Award, Outstanding quality - Print media
- Ralph A. Deterling Award, Distinction in Medical Communication
- Morris Fishbein Award, Honorable mention for excellence in medical communication for health professionals

*Now with the print edition, enjoy the bundled interactive eBook edition, which can be downloaded to your tablet and smartphone or accessed online and includes features like:*

- **Complete content with enhanced navigation**
- **Powerful search tools and smart navigation cross-links** that pull results from content in the book, your notes, and even the web
- **Cross-linked pages, references, and more** for easy navigation
- **Highlighting tool** for easier reference of key content throughout the text
- Ability to **take and share notes** with friends and colleagues
- **Quick reference tabbing** to save your favorite content for future use
