St. Athanasius: The Life of St. Anthony

Athanasius

St. Athanasius: The Life of St. Anthony Athanasius

2013 Reprint of 1950 edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. The present volume contains the most important document of early monasticism, "The Life of St. Antony", whose author is no less a man than the great St. Athanasius himself. Antony, generally considered the father of Christian monasticism, was born circa 250 a.d. to well-to-do parents in Middle Egypt.

Athanasius is counted as one of the four Great Doctors of the Church in the Roman Catholic Church as well as one of the Great Doctors of the Church in Eastern Orthodoxy, where he is also labeled the "Father of Orthodoxy". He is also celebrated by many Protestants, who label him "Father of The Canon". Athanasius is venerated as a Christian saint, whose feast day is 2 May in Western Christianity, 15 May in the Coptic Orthodox Church, and 18 January in the other Eastern Orthodox Churches. He is venerated by the Roman Catholic Church, Oriental and Eastern Orthodox churches, the Lutherans, and the Anglican Communion.
