Here's Your Guide to Starting a Successful Dental Practice... To become a dentist, you must spend a tremendous amount of time and energy mastering the extensive knowledge required to practice clinical dentistry. However, most dentists are provided very little knowledge and education on how to become a successful practice owner or how to run a successful dental practice. This lack of knowledge often leads to costly mistakes for the new dentist. That's where we come in. We help dentists just like you start or purchase a successful dental practice without the costly mistakes. In this book, you will:

- Learn how to set your goals and determine "Why" you want to be a practice owner.
- Create a strategy to become a practice owner including choosing a legal entity.
- Determine an ideal business location.
- Analyze how much money you will need to get started.
- Begin to create a business plan by planning for your business.
- Learn how to hire employees to avoid liability.

Most dentist underestimate the amount of work it takes to become a practice owner and therefore don't give it the full attention it deserves. Now you can start a successful dental practice and avoid the costly mistakes so many new dentists make. If you'd like to help, just visit www.StrategicDentists.com or call us at 925-999-8200 and we will take it from there.
