A Celtic Yearbook Lizzy Shannon

Like the Native Americans, Celtic traditions were handed down through the generations. Irish born Lizzy Shannon takes us through the 13 months and single day of the Druidic calendar. Explore legends and superstitions, find out how to make honey mead, hand-made soap, and learn about the Celtic astrological signs that are based on the Dryadic personalities of individual trees. Discover which sign you were born under, who your Celtic spirit animal guide is, and which deity rules your sign. "A Celtic Yearbook is chock-full of surprising recipes, odd bits of folklore, and delightful dashes of history. Where else can you find a book that contains a love potion and a way to become invisible? A perfect gift!" - Brenda Cooper, author of *Mayan December*. Foreward by Jay Lake, winner of the John W. Campbell Award
