**Aidan (MadMan MacKeefe) (Volume 2)** Elizabeth Rose

Aidan MacKeefe guards the true Stone of Destiny, using it as his pillow, keeping Scotland's secret safe that the English have stolen a fake coronation stone. And when he dreams of a Scottish angel and she appears in his life, he is determined to protect her. Effie MacDuff needs to help the English find and steal the true Stone of Destiny in order to set her sister free from hanging in a cage. When a Highlander happens into her life and she finds out he is guarding the stone, she realizes her luck. But when he starts calling her his dream angel, what starts out as a mission to save her sister turns into a romance with a MadMan MacKeefe. One is willing to die to protect Scotland's secret, while the other is willing to betray her country to save someone she loves. But when they both let down their guard, the tables take a turn and beliefs are shattered as desires grow stronger, and someone's destiny is bound to change.
