## **Expose of Jehovahs Witnesses** E. Grieshaber

In "The Truth That Leads to Eternal Life", The Watchtower Society teaches that it is appropriate for any Jehovah's Witness to examine their religious beliefs and the beliefs of others. This has a very practical basis: the truth will always ultimately reveal itself and prevail. Thus, no one has reason to fear any new information about what one believes: if it is the true way, the truth will only confirm it - if it is not the true way, the truth will only confirm that it is a lie. The purpose of this book is to help you, the reader, to understand the complex and devious character of one of the perpetrators of the fruits of darkness, the Jehovah's Witness religion. In this book you will be introduced to a List of errors in the Jehovah's Witness belief system, an Expose confirming their belief (with documentation) and, a brief explanation of the nature and/or danger of this belief.
