Goldmine Price Guide to 45 Rpm Records Tim Neely

More than ten years after they disappeared from the mass market, the 45 RPM single is becoming more and more collectible. Covering 7-inch records and related items of all types - 45s, extended play singles, jukebox records and picture sleeves - issued from 1949 to 2002, this completely updated edition remains the most complete listing of "the little record with the big hole" anywhere. Containing nearly 75,000 singles, this reference lists all of them individually by title with updated pricing in up to three grades of condition. Also includes an expanded 16-page colour section of interesting records, labels, and sleeves. Prices are given in US dollars.
