Island Folk: The People of Isle Royale (Fesler-Lampert Minnesota Heritage Book) Peter Oikarinen

The history of a working fishing community comes alive in this collection of stories from the people who made a life on Isle Royale. In *Island Folk*, candid photographs illuminate the dramatic and sometimes life-and-death experiences of the unique individuals who chose to live in this beautiful and isolated setting.

In this lively and charming book, find out how moose actually make their way to Isle Royale or what amount of food is necessary to survive a winter. Hear about the ships that sank in the tricky waters surrounding the island and the raw beauty of the landscape from those who know it intimately.

Recalled memories, honestly shared, tell a familiar tale of the ongoing transformation of the island from a quiet working fishing village to a national park haven for tourists who travel by boat or seaplane to experience a vanishing way of life.

Peter Oikarinen is a freelance writer and photographer who lives on Lake Superior on Michigan's Keeweenaw Peninsula. He is the author of *Armour: A Lake Superior Fisherman*.

From reader reviews:

Michelle Johnson:

What do you think of book? It is just for students since they're still students or the idea for all people in the world, the actual best subject for that? Only you can be answered for that problem above. Every person has different personality and hobby for every other. Don't to be pushed someone or something that they don't desire do that. You must know how great in addition to important the book *Island Folk: The People of Isle Royale (Fesler-Lampert Minnesota Heritage Book)*. All type of book is it possible to see on many resources. You can look for the internet options or other social media.

Janet Steele:

Reading a publication tends to be new life style in this era globalization. With reading through you can get a lot of information which will give you benefit in your life. Together with book everyone in this world can certainly share their idea. Ebooks can also inspire a lot of people. Lots of author can inspire their particular reader with their story or their experience. Not only the storyplot that share in the guides. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors nowadays always try to improve their ability in writing, they also doing some analysis before they write to their book. One of them is this *Island Folk: The People of Isle Royale (Fesler-Lampert Minnesota Heritage Book)*.

Kelly Blow:

Do you one of the book lovers? If yes, do you ever feeling doubt when you are in the book store? Make an effort to pick one book that you just dont know the inside because don't evaluate book by its include may doesn't work the following is difficult job because you are afraid that the inside maybe not because fantastic as in the outside appearance likes. Maybe you answer could be *Island Folk: The People of Isle Royale (Fesler-Lampert Minnesota Heritage Book)* why because the wonderful cover that make you consider concerning the content will not disappoint you. The inside or content is usually fantastic as the outside or even cover. Your reading 6th sense will directly guide you to pick up this book.

Edward McCain:

What is your hobby? Have you heard this question when you got college students? We believe that that question was given by teacher with their students. Many kinds of hobby, All people has different hobby. And you also know that little person including reading or as reading through become their hobby. You have to know that reading is very important in addition to book as to be the issue. Book is important thing to add you knowledge, except your own teacher or lecturer. You see good news or update regarding something by book. Many kinds of books that can you take to be your object. One of them is actually *Island Folk: The People of Isle Royale (Fesler-Lampert Minnesota Heritage Book)*.
