Life Resonance: How to Enrich Your Life Steve Preston

Have you ever heard the term “Think and Grow Rich”? How about “The Power of Positive Thinking” or Thomas Maslow’s “Self Actualization”? These and many other catch phrases are simply stating what Einstein and his cronies determined after years of struggling with thousands of blackboards filled with mathematics. Our lives can change its resonance to assure modification in reality. Today there is an entire science designed around this powerful capability inside each of us. It is called Anthropic science. As our resonance frequency increases, our control over our environment increases.
