You will learn that contrary to popular belief, happiness and prosperity are not determined by your pre-disposition, and they also do not result from sheer good luck. Instead, they are results of your conscious effort to open yourself to riches, to love, to joy, and to all the positive things that make life easy and enjoyable. Book 2) Habit: Did you know that everything that you do is a direct result of using your subconscious mind? You may not be aware of it, but behind the scenes the subconscious is working 24 hours a day recording everything that happens to you. It is also recording responses to given triggers.
