The darkly seductive **Bad for You** series continues with a romance that *Harlequin Junkie* notes **&#8220will appease fans who have been patiently (or impatiently) waiting for the final surprisingly sweet and tender outcome.**”*He always keeps his promises.* Angelina has sacrificed everything to be with the man she loves. Forced to abandon her family, and even her own identity, Angelina depends on Haithem as never before. With no more secrets between them, Haithem has become the source of all her needs. Sexually. Emotionally. But not even Haithem can hide forever. While they’re sneaking across borders, avoiding persecution from everyone who would see Haithem dead and his prototype stolen, the media fascination surrounding Angelina’s disappearance continues to mount. For Angelina, it’s a brutal reminder of what she’s left behind and the pain she’s caused to those who believe her dead or held against her will. To Haithem, it’s a warning: he stands to lose the one person left in his life he loves beyond measure. The hunt won’t be called off until his enemies have destroyed him, his life’s work and everyone involved—including Angelina. He has only one choice. He’s promised to protect her. *And Haithem always keeps his promises.* This book is approximately 74,000 words *One-click with confidence.
