Executive Order 1: The Bolshevik Papers Robert M. Michael

THE MOST SHOCKING POLITICAL BOOK OF THE DECADE; WITH A STORY STYLE ***(11-8-10)
The George Soros funded Institute for Policy Studies, a Marxist speaking think tank in Washington, DC, urged President Obama to rule by Executive Order. Other Bolshevik Americans are urging the Communist founded Congressional Progressive Caucus to support the governing by Executive Order, confirming this author's assertions and conclusions.*** I've presented the grave problem which faces free America and asked some tough questions in brief overview on <http://www.bobmichael.com> . Presidents Lincoln and Reagan both speak of the inevitability of destruction to the USA if the people do not rise up against the threat at the time. Both lay the blame for it at the feet of the people collectively. We are the generations upon which the responsibility falls. The battle and the answers are found in this book. You're here now and ultimately it is your choice.
