Final Victim

Stephen J. Cannell

Final Victim Stephen J. Cannell

Leonard Land is a seven-foot-tall, completely hairless computer genius. He is also a twisted, multi-personality maniac who is systematically murdering women. Hot on Land's trail is a formidable trio of heroes: John Lockwood, a renegade U.S. Customs agent; Karen "Awesome" Dawson, a beautiful and brainy forensic psychologist; and Malavida Chacon, a street-wise master hacker. They pursue their quarry through the convoluted corridors of cyberspace and deep into the Florida swamps. This first-rate thriller from the master of television adventure series is perfect for audio.
