SVT Owners Association tells the Ford GT story not only from an engineering and logistical perspective, but also from the point of view of the owners, whose connection to these cars is the true measure of success for Ford Motor Company. This hardcover, full-color book consists of 200 information-packed pages, including a comprehensive index covering all technical aspects of the car and production figures; historical roots of the Ford GT supercar, including previously unpublished photography; and a foreword by Fred Goodnow, Ford GT Design and Engineering Manager. This book photographically chronicles the Ford GT build process from beginning to end and includes a complete listing of each Ford GT vehicle identification number and build date.
