Hex Appeal

Fall under the intoxicating spell of their hex appeal...

In the magical world that lies hidden beneath our own, witches and conjurers play deadly games. They know just the right spell to kill a man with one kiss—or raise him back again. And they're not afraid to exact sweet revenge on those who dare to cross them. But what if you're the unlucky soul who falls victim to a conjurer's curse? And if you had the power to cast a magic spell of your own, would you use it?

In this bewitching collection, nine of today's hottest paranormal authors tell all-new, otherworldly tales. Spellbinding stories featuring bigfoot, albino vampires, professional wizards, resurrected boyfriends and even a sex droid from the twenty- third century named Silicon Lily. But as our conjurers are about to discover, it's all fun and games until someone gets hexed. And sometimes, even the best spun spells can lead to complete and utter mayhem.
