Welcome to the city of Red Wheelbarrow, where the world's greatest detective has yet to meet the crime he can't solve?every criminal in Red Wheelbarrow is caught and convicted thanks to Detective Gould's brilliant mind and cutting-edge spy technology.

But lately there has been a rash of crimes so eccentric and random that even Detective Gould is stumped.

Will he discover the connection between the compulsive chair thief, the novelist who uses purloined street signs to write her magnum opus, and the photographer who secretly documents peoples' most anguished personal moments? Or will Detective Gould finally meet his match?
