The *Catechism of the Catholic Church* reads "often the texts of Sacred Scripture are not quoted literally but merely indicated as a reference ('Cf.')

 in the footnotes. For a deeper understanding of those passages, the reader should go to the texts themselves. These Biblical references are a working tool for catechesis."

This *Companion to the Catechism of the Catholic Church* Book of References contains all the passages of Sacred Scripture referred to in the Catechism arranged according to the paragraphs in which the references are made.

But that is only a beginning. The Catechism also refers to conciliar texts, papal documents, writings of the Fathers and of the Saints. There are more than 3,600 of these references extending from the earliest credal formulations of the ancient Church to the documents of Vatican II and beyond to the magisterial teaching of Pope John Paul II. The *Book of References* includes all the texts referred to arranged, along with the Scripture passages, according to the paragraphs of the Catechism in which they are referred.

This *Book of References* is a valuable instrument in teaching, understanding, and implementing the Catechism. It is a handy one-volume reference library for use with the Catechism.
