The Twilight Wife A.J. Banner

From bestselling author A.J. Banner comes a dazzling new novel of psychological suspense in the vein of S.J. Watson's *Before I Go to Sleep* and Mary Kubica's *The Good Girl* that questions just how much we can trust the people around us.

Thirty-four-year-old marine biologist Kyra Winthrop remembers nothing about the diving accident that left her with a complex form of memory loss. With only brief flashes of the last few years of her life, her world has narrowed to a few close friendships on the island where she lives with her devoted husband, Jacob.

But all is not what it seems. Kyra begins to have visions—or are they memories?—of a rocky marriage, broken promises, and cryptic relationships with the island residents, whom she believes to be her friends.

As Kyra races to uncover her past, the truth becomes a terrifying nightmare. A twisty, immersive thriller, *The Twilight Wife* will keep readers enthralled through the final, shocking twist.
