## **Weaving Music into Young Minds** Mary Miche

Harmonizing music with education, *Weaving Music into Young Minds* composes the interrelationship of music and academic development in children, and demonstrates how music can enhance and accelerate the learning process. The book orchestrates numerous activities that parents and educators can use to bring music into the lives of young children, with or without having musical talent or training. Each chapter highlights articles on experts and artists who work with children in music, and offers an array of talent and musical styles for parents and educators to introduce to children. Other accompanying features include discussion questions for review of key information, suggested learning activities, and references for finding suggested materials in the book. Enjoy the sounds of learning with *Weaving Music into Young Minds*.
