Benny's Had Enough! Barbro Lindgren
A dirt-loving pig with a mind of his own.

Benny's mother is cleaning up. First it's Benny's potatoes and sticks. She insists on arranging them in neat rows. Then it's Benny. She wants to give him a bath! And then it's Little Piggy. She wants to put him in the washing machine. Benny's had enough. He and Little Piggy run off to find a more congenial home. But, even setting aside the mudholes, the world is not as inviting as Benny had thought.

Both tender and hilarious, Olof Landstrom's portrait of Benny will be immediately recognizable to anyone who has ever debated with a two-year-old.

Lillian Thornton:

As a college student exactly feel bored in order to reading. If their teacher asked them to go to the library or to make summary for some guide, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Benny's Had Enough! can make you truly feel more interested to read.
