SYNOPSIS OF: LIFE IS FOREVER-GET USED TO IT Loving every minute of life and everyone around you continually reinforces life and helps to achieve mastery of your goals. My true-life story is an adventure into realms of the paranormal to learn about life, here and hereafter. This never-ending quest to get answers that enhance the meaning of life and help others achieve purpose and contentment continues. Both the skeptic and the truth seeker can glimpse new worlds through my experiences. Surviving and sending love to the world is the greatest gift from your soul. After searching unsuccessfully for the meaning of life and the link with divine intelligence, or God, a mysterious stranger answered my pleas. He introduced me to a genuine medium, or psychic, who answered my questions. Every question answered created ten more. My skepticism drove me to research phenomena and paranormal incidents around the world, a journey that took over thirty years. Through the mediumship of Reverend Keith Milton Rhinehart, I witnessed soul survival after physical death by communicating with loved ones from the spirit side of life. This began the opening of new vistas of existence, spiritual avenues, and answered questions.
