**Seeds of a New Birth** Orrin Jason Bradford

**Unlocking the Potential of the Human Mind**

**Scientific Breakthrough... Or a Really Bad Idea?** Research geneticist, Lionel Adams is onto something hot --the key to unlocking the vast reserves of the human mind. Everyone is interested in it. Bio Vita Tech, the research lab he works for, is excited about the possibilities. So are their foreign competitors who are counting on their inside man at Bio Vita to deliver Adam's secret into their hands.

Everyone seems to want a sample of Adam's formula, except his college buddy, Flip MacDougal, who makes a surprise visit to Bio Vita to play a practical joke on his old friend. Unfortunately, it's Flip who ends up with the sample. His world is turned upside down as he struggles and maneuvers his way through the trouble he has gotten himself into as he unwittingly spreads his "gift" to others.

Seeds of a New Birth is a technological thriller about a future where the highly volatile formula of biogenetic engineering coupled with corporate and personal greed threatens the course of human evolution and perhaps mankind's very existence.

Do you want to try this extraordinary paying spare time activity?

#### **Harley Campbell:**

Is it a person who having spare time in that case spend it whole day simply by watching television programs or just lying down on the bed? Do you need something totally new? This Seeds of a New Birth can be the respond to, oh how comes? It's a book you know. You are and so out of date, spending your time by reading in this brand-new era is common not a nerd activity. So what these textbooks have than the others?

#### **Isaac Lewis:**

As a scholar exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some e-book, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful pics on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Seeds of a New Birth can make you really feel more interested to read.
