The Boyfriend Bet (Boyfriend Chronicles) Chris Cannon

"A great book to read on a hot night." -Kelly Akemann, This Wacky Momma Reads!

This Entangled Teen Crush book contains multiple PDAs, after-school detentions, and gambling on the side. Warning: betting on a boyfriend is bad for your health.

Zoe Cain knows that Grant Evertide is *way* out of her league. So naturally, she kisses him. Out of spite. Not only is Grant her brother's number-one nemesis, but he has zero interest in being tied down to one girl. She's shocked—and secretly thrilled—when they start spending more time together.

Zoe's brother claims Grant is trying to make her his "Ringer," an oh-so-charming tradition where a popular guy dates a non-popular girl until he hooks up with her, then dumps her. Zoe threatens to neuter Grant with hedge clippers if he's lying but Grant swears he isn't trying to trick her. Still, that doesn't mean Grant is the commitment type—even if winning a bet *is* on the line.

Each book in the Boyfriend Chronicles series is a standalone, full-length story that can be enjoyed out of order.

Series Order:

Book #1 - Blackmail Boyfriend

Book #2 - The Boyfriend Bet
