We all know that caffeine helps keep you awake and alert, but the things we don't know about caffeine could fill a book. Now Bennett Alan Weinberg and Bonnie K. Bealer, the award-winning authors of *The World of Caffeine*, the foremost reference book on the science and culture of caffeine, have done just that -- creating an authoritative self-help guide to caffeine's little-known practical secrets and benefits. Based on groundbreaking new research, *The Caffeine Advantage* offers step-by-step programs that show you how caffeine can improve your IQ, memory, mood, athletic ability, physical condition, and performance at work. In the process, Weinberg and Bealer debunk common myths and misconceptions -- that caffeine causes hypertension, anxiety, heart disease, even cancer -- and show the many positive and life-changing effects of strategic caffeine use.

Everyone in today's competitive environment is looking for an edge, and caffeine can provide the little boost that gives you the advantage you need to succeed. The key is knowing what caffeine can do for you and how to use it effectively. Here are just some of its amazing advantages:
