A Practical Guide to Racism C. H. Dalton

Meet C. H. Dalton, a professor of racist studies and an expert on inferior people of all ethnicities, genders, religions, and sexual preferences. Presenting evidence that everyone should be hated, A Practical Guide to Racism contains sparkling bits of wisdom on such subjects as: · The good life enjoyed by blacks, who shuffle through life unhindered by the white man's burdens, to become accomplished athletes, rhyme smiths, and dominoes champions · The sad story of the industrious, intelligent Jews, whose entire reputation is sullied by their taste for the blood of Christian babies · A close look at the bizarre, sweet-smelling race known as women, who are not very good at anything - especially ruling the free world · A crucial manual to Arabs, a people so sensitive they are liable to blow up at any time. Literally.
