## **Imagine: A Vision for Christians in the Arts** Steve Turner

Imagine art that is risky, complex, and subtle. Imagine music, movies, books, and paintings of the highest quality. Imagine art that permeates society, challenging conventional thinking and standard morals to their core. Imagine that it is all created by Christians! This is the bold vision of Steve Turner, who has worked among a wide variety of artists for decades. He believes Christians should confront society and the church using art's powerful impact. Art can faithfully chronicle the lives of ordinary people and express the transcendence of God. And Christians should be involved in every level of the art world and in every medium. In this revised and expanded edition of a contemporary classic, Turner builds a compelling case for Christians in the arts. If Jesus is Lord of all of life and creation, then art is part of his cultural mandate. It can and should be a way of expressing faith through creatively, beautifully, and truthfully arranged words, sounds, and sights. Now includes study questions for individual reflection or group discussion.
