Choose your own Minecraft Quest as a warrior princess!

Adventure 1: This book is a little different from regular story books. In this adventure, YOU are the adventurer. By making choices, you determine your destiny as the treasure hunter who faces all kinds of Minecraft enemies and very real dangers. Simply click on the links in the E-book version or go to the page of the printed version to continue your journey after making a choice. Enjoy this brief, interactive Minecraft story in which you decide how it's going to end.

Adventure 2: You are the heroine, the princess who is searching for her identity. Your purple eyes make you unique, but you have no clue why. In a quest for meaning, you can choose your own path by going to the Nether, the End, or a lake in the middle of nowhere. Pick a marriage partner, decide what to do with the enemies you face, and solve the problem by finding out what the evil queen has done in the past. This unforgettable journey is a page turner, but you'll have to turn pages back and forth, since this adventure will take you all over the place.

Adventure 3: You are a soldier in the army, a combined army of men from several villages who try to defend their homes and freedom against dangerous creatures, like CREEPERS!!! But then something happens... your friend gets wounded. Will he die? Or will you find the cure by collecting the three magical gems, hidden in distant areas where filthy zombies, snakes, and wolves abide? It's up to you! Why? Because this is a story where you get to make choices. You, the reader, choose which adventure you're going on.

Adventure 4: After a theft at the museum, the grand detective, Mr. Questionmark, calls you over to do some research. With your two big knives and your sneaking and fighting skills, you are perfectly equipped to bring back the three valuable pickaxes that the villain stole. Some adventure, some action, and a sprinkle of romance make this self-adventure an unforgettable Minecraft book.
