## **Never Look Down** James Kingston

James Kingston loves to climb. Whether he's scaling a tree at his local park or ascending to the very top of a crane, looking down always brings about the best kind of rush. And yet it wasn't always this way. Afraid of heights as a child, James vowed to confront an almost crippling phobia. He was transformed, and became one of the most daring and unique free climbers on the planet. Today, James is the go-to man for everything HIGH. Think Wembley Stadium or the Eiffel Tower - James has conquered some of the most iconic locations in the world. Packed with death-defying POV pictures, *Never Look Down* tells how James faces down danger, where his favourite free climbing locations are, and takes you to the top of the world.
