Selected Verse: Revised Edition

Federico García Lorca

Selected Verse: Revised Edition Federico García Lorca

Selected verse from the poet who "expanded the scope of lyric poetry" (Rafael Campo, *The Washington Post*).

The work of Federico García Lorca, Spain's greatest modernist poet, has long been admired for its emotional intensity and metaphorical brilliance. The revised *Selected Verse*, which incorporates changes made to García Lorca's *Collected Poems*, is an essential addition to any poetry lover's bookshelf. In this bilingual edition, García Lorca's poetic range comes clearly into view, from the playful *Suites* and stylized evocations of Andalusia to the utter gravity and mystery of the final elegies, confirming his stature as one of the twentieth century's finest poets.
