Why Men Made God R Fleming, K Burkowski

Why do we have only one deity when there used to be so many? Where did the idea of marriage come from? What was so significant about grain? How did the disparity between rich and poor begin? When did we go from revering the Earth to treating it like a resource to be plundered? The answers are in our stories. We Humans have been telling stories since our earliest beginnings. The stories grew in the telling until they became the myths and legends that framed our cultural beliefs. They explained our world and taught us how to treat one another. The consequences, for better or worse, cannot easily be escaped. **Why Men Made God** coalesces the stories that led to modern Western culture into a chronological narrative. New insights and patterns emerge. Gradual changes in our attitudes toward gender and power, toward property and the earth become clear. These changes are mirrored in the supernatural deities that were worshipped in each cultural stage along the way. A global climate crisis threatens all of us. How we talk about it is affecting how we deal with it. Understanding what our stories were and how they evolved empowers us to change the story we tell now, and in so doing, change our future.

From reader reviews:

Richard Zhang:

What do you with regards to book? It is not important to you? Or just adding material when you really need something to explain what your own problem? How about your spare time? Or are you busy man? If you don't have spare time to perform others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? Every individual has many questions above. They have to answer that question because just their can do this. It said that about reserve. Book is familiar on every person. Yes, it is appropriate. Because start from on pre-school until university need that Why Men Made God to read.

Santiago Klein:

Precisely why? Because this Why Men Made God is an unordinary book that the inside of the guide waiting for you to snap this but latter it will jolt you with the secret that inside. Reading this book adjacent to it was fantastic author who else write the book in such awesome way makes the content within easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you for not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of advantages than the other book have such as help improving your ability and your critical thinking technique. So , still want to delay having that book? If I were being you I will go to the guide store hurriedly.

Ruth Davis:

Does one one of the book lovers? If so, do you ever feeling doubt when you are in the book store? Make an effort to pick one book that you just dont know the inside because don't assess book by its cover may doesn't work is difficult job because you are afraid that the inside maybe not while fantastic as in the outside look likes. Maybe you answer may be Why Men Made God why because the wonderful cover that make you consider concerning the content will not disappoint you. The inside or content will be fantastic as the outside or cover. Your reading 6th sense will directly assist you to pick up this book.

Nancy Thornton:

What is your hobby? Have you heard that question when you got students? We believe that that query was given by teacher to the students. Many kinds of hobby, Everybody has different hobby. Therefore you know that little person such as reading or as looking at become their hobby. You must know that reading is very important in addition to book as to be the point. Book is important thing to include you knowledge, except your current teacher or lecturer. You see good news or update about something by book. Different categories of books that can you choose to use be your object. One of them is actually Why Men Made God.
