Behind the Smile: The Hidden Side of the Dalai Lama Maxime Vivas

Tibet appears as the land of monasteries where Buddhist monks meditate in peace and serenity amid snow-capped mountains. In reality, the truth is far more sinister. Behind the Smile is a stunning indictment of the 14th Dalai Lama and how he is portrayed by Western media as a benevolent religious leader persecuted by a ruthless socialist power. Based on his personal observations on the ground in Tibet and detailed analysis and interpretation of the Dalai Lama's own writings, author Maxime Vivas reveals the opportunistic variations, omissions, lies, and stratagems demonstrated by the Dalai Lama in a decades'-long public relations struggle with China. From his ban on Shugden worship to his own ties with the United States Central Intelligence Agency, as well as Tibet's tacit relationship with Hitler's Germany, the true image of modern Tibet and the Dalai Lama is hidden behind the public persona of an untouchable spiritual leader to millions, pop culture icon, and Nobel Peace Price recipient. This unprecedented portrait of the Dalai Lama flies in the face of popular media, and represents the vanguard of a growing movement to provoke awareness in the complex agenda of the Dalai Lama and his followers in dealing with China and the West. Maxime Vivas is the author of *La face cachée de reporters sans frontières: de la CIA aux faucons du Pentagone*.

So , for all you who want to start looking at as your good habit, you can pick Behind the Smile: The Hidden Side of the Dalai Lama become your own starter.

Catherine Gober:

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's internal or real their passion. They just do what the instructor want, like asked to the library. They go to there but nothing reading really. Any students feel that examining is not important, boring in addition to can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Behind the Smile: The Hidden Side of the Dalai Lama can make you truly feel more interested to read.
