We have all been there. That feeling that every problem or fear is too big to tackle on our own. We see them as giants and we are tiny, defenseless grasshoppers. That is not what God wants for us. He wants us to turn them over to Him because He is bigger than any giant in our lives. Throughout "I'm Just A Grasshopper," the author shares her personal struggles and how she is learning to let her faith be bigger than her fear. You will find some encouragement to overcome some of these questions and others. Do you run from your fears? Do you allow others to tear you down? Do you make excuses? Connie Raney previously published her testimony, "Everyone Owns A Shattered Mirror." She enjoys writing and encouraging others who may be struggling in this life.
