You will spend a season helping those who have never felt love, those who have given up on the idea they can be loved, and bring them back to life. But the Archangel Michael descends upon heaven and gives Nathaniel a chance to redeem himself. All Nathaniel needs is to bring those who have loved and lost, to find love again. But it's never that simple. Nathaniel meets trucker Rich, who has been deeply hurt when men violated him in front of his then girlfriend Ruby. Rich loved Ruby but she couldn't get over the fact that she did not have Rich first. He was heart-broken. For Ruby, every time she opened her eyes, all she saw were the men pounding Rich from behind and in his mouth. It was a devastating experience. How can Nathaniel heal these broken souls? Because only then can he earn a star which, when accumulated, will be his ticket back to the creator. Find out if Nathaniel successfully brings back Rich and Ruby together in this first book of the Pardoned Series. *hot and sexy romance for mature audiences

Sample 1: "You will be returned to the earth. You will spend a season helping those who have never felt love, those who have given up on the idea they can be loved, and bring them back to life. You will open their hearts and bodies to all the joy and delight that the Creator intended. You will lead them toward others who will fill the empty place in their life and be the spark of love they longed for. You will trust your heart and the Creator to lead you to them, to bring them into your life. As you change them, set the glow of love ablaze within their heart, you move one step closer to your hope to be reunited. Every time you complete this one part of your journey, a new star will blaze on your arm. Today as you begin, I bequeath you the first." Nathaniel gasped as his arm seared. He looked on his right arm where a bright blue star glimmered on his bicep.

Sample 2: That weekend, the sweater came off much sooner along with her jeans and socks. She lay beside him and moved his fingers from her heaving breasts down to the damp triangle of dark red between her legs. She showed him how to stroke her softly and deftly until she climaxed in throbbing waves against his hand. She had him stand in front of her and she slid his jeans and underwear down, marveling at his erection. Her light touch caused Rich to grow even more, straining up against his flat belly and furry brown pubes that formed a soft wreath around his girth. She stroked his shaft and gripped his nutsack and rubbed the sticky tip of his penis against her lips and on her cheeks.

Sample 3: "Does my presence offend you?" "Uh, no. Kind of the opposite, you know. Kind of giving me a chub here, brother. Remember all the shit I told you in the truck?" "You mean how you are sometimes attracted to males?" "Yeah. Like that. Probably a little easier for me if we keep being naked a little on the DL." "DL? I infer you mean you prefer I be dressed. In that case, yes. I could use some other garments." "You talk so weird, buddy. Hey you know what?" Rich pulled the towel off and dropped it to the floor. "We can just be all natural tonight." Nathaniel looked at him and stared again into his face. "Your penis is erect. Would you rather I be erect too?" "No, that's not necessary. I just get boned up real easy, especially when I am naked. But if you get some wood, don't worry. I won't be offended or anything."
