Simple Pest and Disease Control (Lothian Garden Series)

Colin Campbell

Simple Pest and Disease Control (Lothian Garden Series) Colin Campbell

All you need to know about the common pests and diseases of Australian gardens. Horticultural consultant Colin Campbell shows how to control insect and other garden pests and plant diseases without resorting to chemical solutions or backbreaking work. By keeping weeds down which harbour pests, encouraging natural predators and using organic, inorganic and simple mechanical means, such as crop rotation and garden hygiene, Colin demonstrates how to discourage the 'baddies'.
