Stella and Moonface: The Inability to Share Sara C. Gerou

Stella and Moonface, a dynamic duo, explore the controversial topic of sharing. With the societal peer pressure to compromise the integrity of personal belongings for the convenience of others, the decision to share is not as simple as it seems. While Moonface forever questions, Stella boldly stands up for her own point of view and sheds some light on what happens to those who choose to share and live a lifetime of regret, loss and sadness of damaged goods. Stella and Moonface is an illustrated work intended for adults learning, questioning and reexamining topics deserving of a second opinion.
