We are the property of an alien intelligence! "Our" planet is a cosmic laboratory and we are but guinea pigs to those who have kept us prisoners on earth. Humankind continues to wage all out battle with those who have kept us as their slaves since the beginning of time. They are: * The Soulless Ones. * The Elders. * The Illuminati. * The Greys. * The Counterfeit Race. They have, says the author (who is of military intelligence) kept us in human bondage by: * Controlling our minds. * Planting imperfect thoughts in our heads. * Kidnapping humans. * Impregnating women. * Causing global warfare and ethnic hatred. * Creating a false economic system, and assassinating our replacing our most trusted spiritual leaders, rulers and elected officials.
