Satan and his fallen angels - principalities and demons - are well and alive on the earth. They are not figments of peoples' imaginations but malevolent spirits fighting the Lord God Almighty, born-again Christians and the entire human race (Ephesians 6: 12). The Kingdom of Satan Exposed! is about their modus operandi and artifices in the world. The book exposed the organogram of the satanic world and the spread of false religions to lure the unwary and the ignorant into hell.
