All that has been so much admired in Miss Sutcliff's writing--her concern with the nature of courage, the marvellous ease with which she moves within an historical situation, the power and beauty of her style--flower together to produce a single astonishing experience". --The Guardian The old High Priest dipped a finger in the blood and made a sign with it on Phaedrus's forehead, above the Mark of the Horse Lord. So began the ceremony that was to make young Phaedrus, ex-slave and gladiator, Horse Lord of the Dalriadain. Phaedrus had come a long way since the fight in the Arena that gained him his freedom. He had left behind his old Roman life and identity and had entered another, more primitive, world--that of the British tribes in the far north. In this land of superstition and ancient ritual, of fierce loyalties and inter-tribal rivalry, Phaedrus found companionship and love, and something more--a purpose and a meaning to his life as he came fully to understand the dark significance of the Mark of the Horse Lord. First published in 1965 but long out of print, The Mark of the Horse Lord has been acclaimed by many readers as the finest of Rosemary Sutcliff's many novels, imparting true insight into the nature of leadership, identity, heroism, loyalty, and sacrifice. Rosemary Sutcliff (1920-1992) wrote over 40 novels for young adults, including Black Ships Before Troy, The Wanderings of Odysseus, and The Eagle of the Ninth; five adult novels, including Sword at Sunset; and several books of nonfiction.
