Uroboros Saga Book 6 (Volume 6) Arthur Walker

The militant arm of the Cabal clash with Silverstein and his agents in a final conflict to see who will control Earth, and the solar system itself. While Kale embarks on a dangerous mission to rescue Eamon and face Svetovid, Brook races to save Silverstein, Taylor, and Ezra from a double cross. On Mars, Dragos, Hashti, and Marshal Rider face off with Archie and the Cabal agents threatening to destroy the Martian Colony. The true purpose and destiny of the Cabal is revealed in this stunning conclusion to the second story arc of The Uroboros Saga. The Uroboros Saga is character driven science fiction, published three times per year. Each book continues the story with an array of colorful characters and environments. It is written to address and explore the idea of technology that extends and expands the modern notion of identity, and the sort of dystopia that such technology could create. The global fiscal apocalypse that occurs in the midst of that exploration is just there to be charming window dressing. Enjoy.
