7 Days in Myanmar: A Portrait of Burma Denis Gray, John Falconer, Nicholas Grossman

Largely isolated from the world for more than four decades, Myanmar has made a remarkable return to the global stage following a political transformation that represents a watershed moment in the country's history. Now, for the first time ever, the rich culture, stunning landscapes and diverse peoples of the country are presented in a unique visual time capsule.

Here is the new Myanmar as seen over a single week by a team of thirty famous photographers from eleven different countries. Their mission? To capture the life and spirit of Myanmar from every angle in every corner of the country. Through the downtown streets of Yangon and the handicraft centers of Mandalay, above the temple-dotted plains of Bagan and on the waters of Inle Lake, inside border towns and hill tribe villages and all the way to the furthest reaches of the north and south. The portrait they created reveals a nation full of natural beauty, old-world charm, deep spirituality and new hope.

Featuring essays that provide context on Myanmar's history and culture and hundreds of outstanding original photographs, 7 Days in Myanmar shows why the world is watching Myanmar and why Myanmar is ready for the world.
